ARCHITECT APPOINTED FOR THE NEW JAIL

The board of supervisors met in regular session Monday, February 7th, there being present Jos. M. Francis, president, Jas. T. Casey, Wm. H. Brown, John MacBain, and C. V. Thompson.

The minutes of January 17th were read and approved.

The following applications were received and read for appointment to the position of county assessor, made vacant by the death of Clarence D. Hayward.

W. H. Hooper, Woodside; Henry F. Butts, Redwood City; Daniel P. Flynn, Redwood City; H. Looze, San Bruno; W. G. Sawen, Lomita Park.

The applications were ordered filed. H. C. Tuchen appeared before the board and made a personal application for the position, stating that he was not aware of the fact that written ones were to be presented.

Chairman Francis addressed the board and stated that it was in order to select a successor to the late Clarence D. Hayward, county assessor. He thereupon appointed D. E. O'Keefe and J. L. Brown tellers.

The question of the length of time for which the appointment should be made having been brought up by Supervisor Brown, District Attorney Swart who was called in the matter, advised that the board, before balloting, decide by motion whether the appointment should be made for the unexpired term or until the next election in November.

It was thereupon moved by Brown, seconded by Thompson that the appointment of the assessor be made until the next election.

Supervisor MacBain offered an amendment to the motion, which was seconded by Casey, making the appointment for the unexpired term.

The amendment was carried on roll call, by the following vote:

Yes—Casey, MacBain, Francis, No—Brown, Thompson.

The members then proceeded to ballot, with the following result.

Daniel P. Flynn, 3 votes. H. C. Tuchen, 2 votes.

The former was duly declared elected assessor of San Mateo county for the unexpired term.

An order was received from Judge Buck of the Superior Court, directing that 100 citizens from the several townships be selected to serve as trial jurors for the year.

Superintendent of Schools Roy W. Cloud appeared before the board and read a petition signed by Fred E. Kendall and others of San Carlos, asking for the changing of the boundary lines of the Redwood City and Belmont school districts in order to permit the moving of the present unused West Union school house to San Carlos.

Mr. Cloud presented communications from the trustees of the Redwood City, Belmont and West Union districts, approving of the said changes.

T. F. Robson of Berkeley, president of the Tourist Association of Central California addressed the board and asked that the county continue its appropriation of \$1,200 this year toward the association.

W. B. Pringle of San Mateo and Frederick Whitton of San Francisco also addressed the board in the matter and made strong pleas for the appropriation.

The board informed the representatives that while it appreciated the splendid work the tourist association has done in the past and would like to make the appropriation asked for, it would be unable to do so owing to the lack of money in the general fund.

At the suggestion of Supervisor Brown, however, and on the advice of District Attorney Swart, the members, on roll call, voted to go on record to make provisions in the next tax levy for the appropriation covering San Mateo county's share of the cost of the work for the year 1916.

A resolution presented by Superintendent Cloud ordering the changing of the aforesaid boundaries and describing the new boundaries for the three districts, was adopted, on motion of Brown and MacBain.

Newton Peck, horticultural commissioner, submitted his report, showing the inspection of 36,342 trees, shrubs and plants and one car of potatoes during the month of January. Of this number 590 were treated for scale infection, 10 for aphids on roots of beans and three were condemned.

County Surveyor Neuman submitted a report showing the payment to the county of \$1513.94 by the San Francisco Electric Railways for their portion of pavement on the San Bruno Road, as per agreement.

Miss Anne Bell Bailey, county librarian, submitted her reports for the months of December, 1915, and January, 1916. The reports showed a total expenditure of \$680.47. The reports were ordered filed.

Superintendent of the County Farm and Hospital, J. R. Eubanks, submitted his report, showing he had cared for 61 inmates, during the month of December, of which number one had died. The report was ordered filed.

Communications were received from Senator James D. Phelan and other representatives to Congress from the different districts of California, acknowledging receipts of telegrams relative to resolutions adopted by the San Mateo county supervisors favoring remedial legislation to preserve the oil industry in California. The replies from the various representatives showed a co-operation on their part to remedy the situation in the state.

The communication was ordered filed.

On motion of MacBain, seconded by Brown, it was ordered that Superintendent James E. Eubanks be permitted to take the furniture in the courthouse basement brought down from the Exposition, for use at the county farm.

A communication was received from the county librarian, recommending the establishment of branch libraries at Pescadero and Daly City.

On motion of Casey, seconded by Thompson, it was ordered that the above branches be established.

A communication from the Tourist Association of Central California asking the board to appoint delegates to the annual meeting of the association at Oakland, February 19th, was ordered filed.

A communication from M. J. Linehan and Company of San Francisco relative to a right of way over the Linehan ranch for the proposed new scenic road on the mountain was ordered filed.

A petition was received from L. Kompf and other citizens of Granada, asking the board to take some action to provide a road from the coastside boulevard at Princeton station on the east side of the Ocean Shore Railroad into Granada and to the North Granada station.

The matter was ordered referred to Surveyor Neuman.

A petition was received from A. G. Faber and other residents of the Colma Lighting District, asking for the erection of two electric lights, one on Werner street, and one on Station avenue in that town.

The petition was granted, on motion of Casey, seconded by Brown.

A communication was received from H. W. Maass, secretary of the Funeral Directors' Association of San Francisco, asking for the changing of the location of the health office in the town of Colma.

On motion of MacBain, seconded by Thompson, the communication was referred to Supervisor Casey of the First township.

The board adjourned for the noon recess.

Afternoon Session

The board reconvened at 1:30 p. m., all members being present.

The claim of H. C. Tuchen of \$160.53 for salary and expenses as executive secretary of the P. P. I. E. Commission during the month of January, 1916, was allowed, on motion of Brown, seconded by Thompson.

Supervisor Casey addressed the board in reference to the installation of a safety signal device at Holy Cross cemetery, which, according to a recent decision of the Railroad Commission, the county must make provisions for.

On motion of Casey, seconded by MacBain, the matter was referred to Surveyor Neuman.

A communication was received from A. D. Walsh, chairman, and D. R. Stafford, secretary, respectively of the Redwood City school site committee, requesting the supervisors to open a connecting road from Redwood avenue to the Woodside road, near the Miller Paulsen property, in the Third township.

On motion of Casey, seconded by Brown, the communication was referred to Supervisor MacBain, and Engineer Neuman.

Engineer Neuman submitted a partial report in the Atherton ditch matter. He stated that the cause of the recent overflow of the ditch and the flooding of Atherton avenue was brought about by the building of another ditch at the head of the Stern property and which emptied a large volume of water into the Atherton ditch.

On motion of MacBain, seconded by Casey, Engineer Neuman was instructed to prepare plans and specifications of a suitable ditch to carry off the flood waters.

On motion of Thompson, seconded by MacBain, L. C. Hare was granted an extension of 90 days in which to complete his contract in the Fifth township.

Surveyor J. V. Neuman submitted an itemized report showing the amount of money expended to date under the highway bond issue of \$1,250,000. The report was ordered filed.

A communication was received from the trustees of the Town of San Bruno.

no, in which they expressed their willingness to maintain all the lights in the former San Bruno Park Lighting district, both inside and outside the city limits, providing that the taxes levied and collected for the purpose of maintaining said lighting system be paid to the treasurer of San Bruno.

On motion of Casey, seconded by MacBain, it was ordered that the county auditor be authorized to transfer all the funds of the above district to the City of San Bruno in consideration that the city keep up for the year all the lights of the lighting district.

On motion of Brown, seconded by Thompson, plans and specifications were adopted for the construction of a box culvert on the De Las Pulgas road in the Second township.

Supervisor Brown reported the washing out of another culvert on the road near Reid's school in the Second township.

At the request of Chairman Francis, the county surveyor was instructed, on motion of MacBain, seconded by Casey, to prepare plans and specifications for the construction of a temporary bridge across the Montara creek, where the fill has been washed out during the recent heavy storms.

Supervisor Brown stated that the county would not be able to accept the offer of H. C. Finkler, made at a previous meeting, to furnish water for sprinkling Whipple avenue in the Second district during 1916. The condition of the county funds would not permit the work being done.

Chairman Francis announced that it was in order to appoint an architect for the new county jail.

W. H. Topke of San Mateo was thereupon placed in nomination by Casey, seconded by Francis.

On roll call, Topke was elected by the following vote:

Yes—Casey, MacBain, Thompson, Francis. No—Brown.

In voting "no" Supervisor Brown stated that he believed that other architects in the county should be considered before the appointment be made.

On motion of Brown, seconded by MacBain, Surveyor Neuman was instructed to prepare plans and specifications for the construction of the Hillsborough to Halfmoon Bay road and the Pescadero to San Gregorio road.

Supervisor MacBain addressed the board in reference to that part of the report just rendered by the late Grand Jury, wherein several supervisors were criticized for spending money beyond their appropriations. Supervisor MacBain stated that in interviewing several of the members of the recent grand jury they had informed him that there was a mistake in the report and that the criticism was directed at a former board of supervisors and not at the present one.

District Attorney Swart, who was present, stated that he had taken the matter up with Daniel P. Flynn, who was the foreman of the Grand Jury and the latter had explained that the word "former" had been inadvertently omitted from that part of the report referring to the supervisors and that no reflection was intended for any member of the present board.

The board adjourned at 2:30 p. m. to meet again Monday, February 14th, at 10 a. m.

A FRIEND'S GREETING

I'd like to be the sort of friend that you have been to me.
I'd like to be the help that you've been always glad to be.
I'd like to mean as much to you each minute of the day
As you have meant, old friend of mine, to me along the way.

I'd like to do the big things and the splendid things for you.
To brush the gray from out your skies and leave them only blue;
I'd like to say the kindly things that I so oft have heard
And feel that I could rouse your soul the way that mine you've stirred.

I'd like to give you back the joy that you have given me,
Yet that were wishing you a need I hope will never be;
I'd like to make you feel as rich as I, who travel on
Undaunted in the darkest hours with you to lean upon.

I'm wishing at this New Year time that I could but repay
A portion of the gladness that you've strewn along my way;
And could I have one wish this year, this only would it be;
I'd like to be the sort of friend that you have been to me.

The card party given by the Woman's Club of Redwood City Thursday was enjoyed by a large number of enthusiastic players. Spring was in the air as was demonstrated by the decorations of yellow acacia. Prizes were won by Mrs. George Gunther and Miss M. Kendrick for bridge and Mrs. Locenz and Kittle Crowe for Five Hundred.

Superintendent of Schools, Roy W. Cloud, addressed the pupils of the fourth, fifth, sixth, seventh and eighth grades of the Redwood City grammar school yesterday, taking for his subject the life of Abraham Lincoln. Mr. Cloud spoke for nearly an hour depicting the beautiful character and noble life of the martyred president. The lecture was highly instructive and interesting.

Miss Della Madden, a former teacher of the county, was here on Wednesday securing data to enable her to apply for a teachers' pension. Miss Madden will be united in marriage to P. E. Fleming next Monday. Mr. Fleming is a retired sergeant of police of San Francisco and receives a pension of \$75 a month. He resides in Tobin in this county. After a brief honeymoon the couple will live at Salada.

Owing to the crowded condition of the lower grades of the grammar school the trustees have employed another teacher in the person of Miss Louise Stevens, who has been a substitute teacher in the school. She will take the room formerly occupied by Miss Glassford and the latter has been transferred to the school room adjoining the kindergarten on the island. Miss Stevens taught at Montara last year. She is a talented lady and a daughter of Rev. C. H. Stevens, pastor of the Congregational church.

The card party given under the auspices of Bonita Parlor, N. D. G. W. Thursday evening was a most successful affair. Socially it was one of the most enjoyable events that has taken place in Redwood City in some time. The first prize for gentlemen was won by W. J. Murray of Menlo Park. The first prize for ladies was carried off by Mrs. Roy W. Cloud while the consolation prizes were won by George McNulty and Mrs. George Alvis.

Kelma! Why?

The last will and testament of the late Isaac Minor, who died recently at Arcata, Humboldt County, has been filed for probate in that county. By the terms of the instrument his wife is bequeathed personal property of small value. The will stated that she had already received the sum of \$100,000 in cash from him. Mrs. Minor was formerly Miss Caroline Cropley, the well known singer who resided here in the early nineties. She married Mr. Minor in 1907. He was a millionaire banker and cattleman of Arcata and was 85 years old when he died. She is now 34. The bulk of his estate was left to his children by a former marriage. The Cropleys were well known in this city.

PROTECT EMPLOYEES AGAINST ACCIDENT

Prominent Businessmen Protest Against Placing Corrugated Culverts on Streets.

Joe Perry, Edward Allen and C. Peterson, property owners on that portion of Main street that was formerly Mound street, appeared before the board of town trustees Monday evening and voiced a protest against the placing of corrugated iron arch culverts at the intersections of cross streets in improving that street. Street Superintendent J. C. Dickey stated that the culverts were necessary because the natural drainage of that section of town would take the water away from both sides of the street. As the cost of these culverts would be about \$3,000 and as local conditions made them unnecessary, the board decided to recall its previous notice of intention and instructed City Engineer Finlay to prepare plans and specifications for the street work leaving out the culverts excepting one across Elm street and one crossing Main street from Hancock street to Ward Pine street.

The Pacific Gas and Electric Company were granted permission to make contacts on municipal poles on Brewster street in eliminating a dangerous span of their high voltage wires on that street. The town receives an annual rental for the use of its poles.

City Electrician Ryan stated in his report that \$223 was the total cost of moving the switch board of the fire alarm system from the fire house on Main street to the Town Hall.

The city electrician also reported that after rebuilding the electric sign of the town on Broadway that the cost of operating the sign had been reduced 65 per cent. The sign is much stronger and more securely hung.

Trustee Delean voiced a belief that many places in town should be connected up with the sewer, which were not where sewers were provided. The superintendent of streets is to compile a list of such places to be taken up at the next meeting of the board.

Claims of E. J. Finlay for work done in recent street work for \$407 were accepted.

In response to a request from interested property owners on Hamilton street, between Fuller and East Fuller, the board expressed its intention to order street work done on that portion of Hamilton street similar to the work done on Hamilton street along side of the grammar school. The work will be done by public procedure except where the property owners have it done by private contract.

Resolutions of intentions were passed and plans and specifications adopted for the James street sewer extension, the Broadway gutters, the street work on East Brewster from Arguello to County road. Resolutions of intention were also passed for the Broadway and Main street gutters. The city engineer and the city attorney were instructed to prepare plans and specifications for the following street improvements in Wellesley Park:

The continuation of Arlington road from its present termination to Melrose Place and Woodstock Place; continuation of Edgewood road from its present termination to Melrose Place; Melrose Place and Woodstock Place their entire length. The new streets are to be 35 feet in width and are to be made of six-inch standard oil macadam with water bound base. The improvements will include 16 foot cement sidewalks and curbs, also sewers.

A. L. Chambers of Chambers and Healy, contractors, appeared before the board in the matter of the delinquency of W. T. Ebener and G. H. Elliott in making their payments on the bonds which the contractors hold against them for sewer construction on Oak street. Elliott and Ebener assumed one-half the payment of the bonds through an agreement entered into with the city. According to the bond holders they are now a year and a half behind in their payments. The board advised the contractors to bring suit against the property owners in order to secure the payment of the bonds.

Ordinance No. 169, dividing the city into four election precincts, was presented by City Attorney Mansfield and given its first reading.

The report of City Clerk Plump and Marshall Coleman showed the receipts of the city for the month of January to have amounted to \$4,506.61, divided among the various sources as follows: water collections, \$1042.00; meter connections, \$26; liquor licenses, \$2750; dog licenses \$26; miscellaneous licenses, \$445; improvement district No. 13, \$42.50; improvement district No. 14, \$6.23; sale of transformers, \$123.20. The report of City Treasurer Towne showed a balance in the general fund of \$7,342.00, while the water fund showed a balance of \$1,275.54.

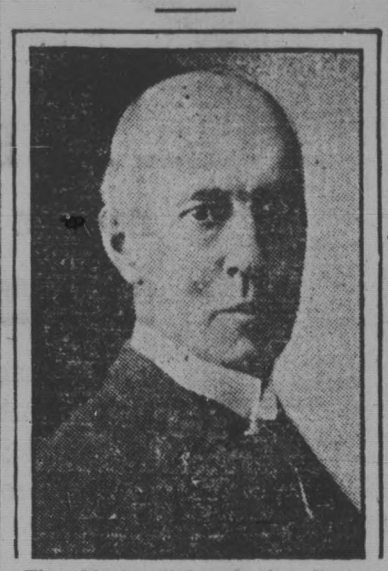

The question of suitable housing for the new chemical engine and apparatus was brought up by Trustee Sampson, chairman of the fire board, who stated that W. H. Chubbick was willing to erect a corrugated iron building at the rear entrance of his garage in consideration of his being given a three-years' contract to take care of the chemical. At the suggestion of Trustee Tuchen, it was decided to look into the matter of leasing a piece of property of Miss Hanley adjoining Chubbick's place and the city constructing its own building on the property line and pay Mr. Chubbick for his services.

In order to fully protect the city against accident to any of its employees, the board decided to file application with the Industrial Compensation Insurance Company for insurance covering all persons employed by the city.

SAMUEL SHORTHIDGE AT THE CONGREGATIONAL CHURCH

Will Speak on the Life of Abraham Lincoln Sunday Evening

The Men's Club of the Congregational church will hold a Lincoln memorial at the church Sunday evening, February 13th at 7:30 o'clock, to which the public is cordially invited. The club has secured a speaker for the occasion the Hon. S. M. Shortridge, one of California's most gifted orators. The reputation of the speaker and his theme should fill every seat in the church. Beautiful decorations and special music will be a feature of the evening. A corps of ushers will be on hand to find you a good seat.

PESCADERO BREEZES

County Librarian Miss Bailey of Redwood City will shortly open a branch library in Pescadero. Just as soon as the books are packed they will be shipped here to be placed in a prominent locality for distribution.

The people of Pescadero will be glad to hear this for they are anxious to peruse these volumes. The branch library promises to be popular here.

Notwithstanding the stormy weather and rain fall the highways hereabouts are in splendid condition, thanks to our able supervisor, Dr. Thompson, who has a gang of men looking after the washouts.

WOODSIDE NEWS

Eugene Hoffman, hermit, who has been living in the mountains near Woodside, was committed to Agnews Insane asylum Wednesday by Superior Judge George H. Buck. John F. Brown who lives on King's mountain, testified that Hoffman caused considerable disturbance by his erratic actions.

Barney Bernasque had his left hand badly crushed and mutilated last Tuesday while sawing wood with a wood-sawing outfit run by a gas engine. His hand caught in the revolving saw and before he could extricate the limb it was frightfully crushed. Dr. J. L. Ross and Dr. B. S. Gregory of Redwood City were called at once. Bernasque will not lose the use of his fingers.

William Byrnes has been appointed by the Spring Valley Water Company overseer of the property of the company in this section. He is now engaged in superintending the grading of roads on the property. Mr. Byrnes takes the place of the late Thomas Casey, who had been in the employ of the company for many years.

PREPAREDNESS

Recently an expectant father in our locality, full of joy, began to prepare. He purchased one crib, one baby-carriage, one gogart, one "choo-choo-train." He was serenely satisfied and his confidence in his own preparedness being at such a high pitch that even a few close friends were "let in" on the preparedness scheme. Now, can you imagine his consternation when he told that "he" was a boy and a girl? Yes twins! And he was only half prepared. Right now, before going further, it may be well to inform the reader that the Young Bachelors' all night grand ball to be held Saturday night, February 19, 1916 in Foresters' Hall is not to be overlooked in your preparedness plans and as this is leap year there will be no excuse for the attendance of this big social event by any singles. Yes, it is perfectly proper that the lady invite the man. Gentlemen be prepared.

COAST SIDE ITEMS

The strange circumstances surrounding the death of James Kearns, coastsider cattle dealer, whose body was found Monday in a roadside ditch north of Purissima, were almost wholly cleared up Wednesday afternoon at the inquest held by Coroner W. A. Brooke in Halfmoon Bay.

Belmore McCormick, the 16-year-old Pescadero boy who was the last person to see Kearns alive, gave a clear account of his connection with the case, but the authorities have decided to investigate what became of \$90 in money belonging to the dead man. On the witness stand Wednesday young McCormick told the jury that on Friday, January 28th, he and Kearns left Pescadero with a wagonload of hides which they were hauling to San Mateo for their employer, Walter Lindcott, a butcher of Pescadero. From the testimony given by young McCormick it was shown that Kearns had been drinking heavily. He jumped into the back of McCormick's wagon and slept there until Purissima was reached when he fell out on his head. McCormick took the \$90 from his pocket and covered him with some burlap and drove off. Nine days later the body of Kearns was found in a ditch at the side of the road by Joseph Cunha. Kearns evidently died from exposure and acute alcoholism.

Through the kindness of Dr. C. L. Morgan the school has come into possession of an enlarged photograph of the rocks off Moss Beach. This picture formed a part of San Mateo County's display at the late exposition. It is said the grammar school received a similar gift.

DOINGS ABOUT THE COUNTY OFFICES

Matters of General Interest to Litigants Called from the Public Records.

Judge Buck has appointed H. W. Schaberg of Redwood City, Thomas E. Byrnes of San Mateo and H. M. McCormick of San Francisco appraisers of the estate of William H. Hanson, deceased. The court has also appointed R. F. Chilcott inheritance tax appraiser of the estate of Truman E. Jewell, deceased.

H. W. Schaberg appraiser of the estate of Frances May Upton, an incompetent person, has filed his inventory and appraisal. The estate consists of an interest in a certain parcel of land on Geary street, San Francisco, appraised at \$9,250.75.

The Panama Realty Company has incorporated with a capital stock of \$600,000 divided into 60,000 shares at a par value of \$10 each. The purpose of the incorporation is to engage in the real estate business, to make loans, etc. The principal place of business is in the City of San Francisco. The actual amount of stock subscribed is \$50 by the following stockholders who have subscribed one share each: M. Bernard, E. H. Ryan, R. G. Hudson, C. J. Kuchel and M. Gifford.

Judge Buck yesterday granted a final decree of divorce to Viola V. Dolan from her husband, William Dolan. The interlocutory decree was granted on December 24, 1914. The custody of the minor child, Dorothy Dolan, aged 9 years, was awarded to the mother. Dolan is to pay \$25 a month to plaintiff for the support of the minor.

Marriage Licenses Issued

William Perkins, aged 56 and Fanny Richardson, aged 38, both of San Mateo. Albert Fink, aged 38, Berkeley and A. J. Tucker, aged 25, Oakland.

Emil John Danilson, aged 27, San Jose and Alma M. Dahnen, aged 23, Santa Clara.

New Probate Applications

Maud A. Berry, through her attorneys, Ross and Ross, has applied in the superior court for letters testamentary upon the estate of her husband, Henry N. Berry, who died on January 31, 1916. The estate consists of money in bank amounting to \$848, promissory notes valued at over \$10,000 and 20 acres of land in the Sacramento Valley worth \$1,600. The deceased also left property in the State of Oklahoma valued at \$47,000. The deceased left a will bearing date of May 24, 1912 and two codicils bearing date of August 10, 1915 and September 23, 1915. Besides the petitioner the deceased left four adult children as heirs at law.

John A. Flink through his attorney Gilbert D. Ferrell, has petitioned the superior court for an order to sell the real property of Gust Ehlman, an incompetent person. The property consists of lot 7, block 70, Moss Beach. The petitioner has been the guardian for some time and has paid out the sum of \$200 for his ward.

George W. Edwards, through his attorney, John D. Willard, has applied in the superior court for letters of administration upon the estate of Lillian E. O'Hara, who died on October 25, 1915 at San Bruno. The estate consists of jewelry and other personal property valued at \$50.

Charles H. Hatch of Burlingame has applied in the superior court for letters testamentary upon the estate of Anna D. Hatch, who died at her home in Burlingame on January 10, 1916. The subscribing witnesses were, Mrs. Sadie Flagg and W. C. Beau. By the terms of the will the entire estate is left to the petitioner, husband of the decedent. The estate consists of lot 15 of block 42, Burlingame valued at \$800. James T. O'Keefe is the attorney for petitioner.

Josephine M. Poket as executrix of the last will and testament of Israel Poket through her attorney, Jas. T. O'Keefe, has filed her first and final account, together with the petition for final distribution. The residue of the estate to be distributed consists of notes and mortgages and real estate, valued at \$9650. The will of the deceased gives all the property to the widow. The children, eight in number get nothing under the will. They are all of age and the petition alleges that the belongings of the deceased are community property.

New Actions in the Superior Court

Matilda A. McLeod has commenced divorce proceedings in the superior court against her husband, George E. McLeod, on statutory grounds.

E. H. Bessett has brought an action in the superior court against James Goehwy and others to foreclose a mechanic's lien for \$200 and costs and for the further sum of \$170 for recording lien. The mechanics lien is to be foreclosed on a house on lot 14, block 5, Burlingame Park.

John B. Peckham has brought foreclosure proceedings in the superior court against Anna G. Wiegerson, as administratrix of the estate of Mary E. Alt, deceased and W. C. Alt, Jr. to recover the sum of \$4,000. The property on which the mortgage is to be foreclosed consists of the Alt home at San Mateo. Plaintiff also asks for interest at the rate of seven per cent per annum and attorney fees in the sum of \$200 and costs of suit.

Angelina Mori, through her attorneys, Ross and Ross, has commenced an action in the superior court against her sons, Sebastiana and Stephen Mori, to recover the sum of \$8,000, the value of 19 1/2 acres of land in the San Pedro valley near the ocean shore down the coast from Colma. The property was owned by Mrs. Mori and according to the complaint she joined with her two sons on February 23, 1911 in giving a trust deed to the property to G. L. Crabtree for a loan of \$2,000. The money so secured was for the use and benefit of Stephen Mori and he and his brother gave a promissory note to their mother for the amount. On January 31, 1916 the deed of trust having expired the property was sold

ALBERT L. LOWN DIES AFTER LINGERING ILLNESS

Pioneer Merchant and Commission Man in Produce Business

Albert J. Lown, better known as John Lown, the well-known merchant, passed away at his home in this city following a long and painful illness of many months early Thursday morning. The deceased with his son Henry conducted the vegetable store on Broadway and were general commission merchants for some years. Mr. Lown was a native of New York, aged 64 years. As a young man he came to Redwood City and at once engaged in business. He had been a resident of Redwood City for nearly forty years. He resided in the northern portion of the county before locating here. Mr. Lown was well known in business circles, well liked for his generous and off hand way and pleasant manner. He is survived by his wife and son Henry. Another son, Albert, died some years ago. Services will be held at 10 o'clock this morning at the James Crowe Co's chapel. The interment will be in Cypress Lawn cemetery by automobile, the funeral cortege leaving here after the services.

At auction on the front steps of the court house, the purchaser being John Mori who bid in the land for \$3,500. Crabtree's claim was for \$2,273.28. He refused to turn the surplus amounting to \$1,226.72 over to Mrs. Mori. She has brought a separate action against him to recover that sum. She claims the value of the realty in question to be worth \$8,000 and asks judgment against her sons for that amount.

The benefit vaudeville in aid of the Maud Booth Home at Mayfield on Saturday evening February 19th in Duff and Doyle Hall promises to be well attended. A very attractive program has been prepared so that those who may attend will be sure of an evening of merriment. "At the Oak Grove Villa," a musical comedy by the Menlo Park Comedy Company is certain to cause no end of fun. "Under the Stars and Stripes," a story of 1861 is another number that is certain to create interest. Secure your tickets early and thus be sure of a front seat.

Mrs. Charles Wooster passed away at the home of her daughter, Mrs. W. R. Hockabout, of Palo Alto last Saturday evening. She suffered a paralytic stroke some years ago and was an invalid for a long time. A severe attack of rheumatism which affected her heart was the immediate cause of death. Mrs. Wooster with her husband came here from Sacramento nearly twenty-five years ago. She was highly respected and esteemed by all who knew her. Her husband was Senator Stanford's coachman forty-five years ago. He is still in the employ of the Stanford heirs. The deceased is survived by her husband, three daughters—Mrs. George Casey of Palo Alto, Mrs. Charles Decker of San Francisco and Mrs. W. R. Hockabout of Palo Alto; two sisters—Mrs. Fred Whitaker of San Francisco and Mrs. W. M. Welch of Shasta County—and a brother, Daniel Herrigan, also of Shasta County.
